Hendrick, Lindsey 8:40 AM:

Morning Hope, I signed in this am to make sure aldicarb was in good shape to go to the seniors this afternoon. Surprise: it needs a decent amount of work. I just wanted to let you know that I may need to work on this for at least another hour or two today. Is that OK?

Johnson, Hope 8:56 AM:

Hi Lindsey- sure we can work it out in some way, but would Monday be too late to finish up the work pre-senior review? I don't want you having to work on your compressed day!

Hendrick, Lindsey 8:57 AM:

Ok, thank you. I think Monday may be a little close, since our review is scheduled for 9am Tuesday morning. I just want them to have at least one full day to review.

Johnson, Hope 8:58 AM:

Ok. Let's talk next week on how to handle the time. Thanks for letting me know!

Hendrick, Lindsey 8:58 AM:

Ok sounds good. You're welcome and thanks again
